DUES NOTICES: The January dues notice will be in the mail shortly for all members whose 2024 dues were not received at Department Headquarters by December 10, 2023. Every member who has not paid their dues should be contacted by your membership workers. As of December 21, Kansas still needs 5,511 members to reach its nationally assigned goal. We need more renewal, reinstatement, and new members -- remember everyone on active duty is eligible for membership.

LEGISLATIVE RECEPTION has been CANCELLED.

INCORPORATION: Posts should be incorporated thereby relieving your Post Officers and members of liability incurred by the Post. Simple annual reports are required to maintain incorporated status. If your Post is already incorporated, you should have received your annual report to be filed with the Kansas Secretary of State. If your Post is not incorporated and it should be, or you have not received your annual report, contact the Secretary of State's Office, 1st Floor, 120 W. 10th St., Topeka, KS 66612, phone 785-296-4564.

ORATORICAL CONTEST: Your Post should be promoting this great scholarship program for high school students. Information has been published in the Sunflower Legionnaire. Information is also available online at www.kansaslegion.org/scholarships.htm.

-----More on back side-----

RENEWAL POST CARDS: Department Headquarters has a supply of the Membership Renewal Post Cards. These post cards can be highly effective when sent to delinquent members. Contact Headquarters with the number that you need.

EMPLOYER AWARDS: Information and nominating information for National's Employer of Veterans Awards and the Award to Enhance the Lives of Disabled Persons is available on our website and by contacting Department Headquarters. These nominations must be received at National by January 15. Headquarters relies on you to submit nominations; the winner may as well be from your community; your employer or firm. Please consider an employer in your town for this honor.

CHALLENGE: This month each Post is challenged to poll their membership asking what improvements, activities, or programs they would like to see at your Post. This challenge can be accomplished very easily through a simple letter to each member, be sure to ask how they would support their suggestions (either financially, by volunteering their services or time, or all three). You never know until you ask, and you may increase more members' involvement which can improve your Post.

AMERICAN LEGION SCHOOL AWARDS: Looking for a way to establish a good working relationship with your local schools? The American Legion School Award Program provides an excellent means to recognize boys and girls in Elementary, Junior High or Middle School and High School for their courage, honor, leadership, service, scholarship, and patriotism at little expense. Students are proud to receive this type of recognition and their schools often welcome the opportunity to include the program in their spring activities. Awards are available from Emblem Sales and your Post's membership performance can earn these awards for presentation at no cost to the Post. Contact your schools now to schedule a presentation.
